Master of Commerce (M.Com)

The M.Com degree program is designed to hone the abilities of students who want to build a career in the financial and business sectors. This is intended primarily to provide in-depth understanding through an industry-relevant curriculum related to commerce and trade practices. The course framework combines case studies and industry projects that allow students to experience various industrial contexts. Learners will have a solid understanding of advanced corporate accounting, advanced auditing, international finance management, strategic cost management, and commercial and business laws by the end of this course.

Duration: 2 Years

Eligibility: Bachelor's degree in Commerce or its equivalent from recognized University/Institution.
